

# Professional Services

## How to Succeed with Limited Resources

Organizations large and small are all faced with the same constraints when it comes to IT,

### **Time and Money.**

With SDV Professional Services, we provide cloud expertise on a fixed hourly rate to handle the projects that your team does not have the time to tackle. Projects are scoped with clearly defined goals, timelines, and costs meaning there is no guess work or "scope creep" and organizations can be confident projects will come in on time, on budget and with satisfaction guaranteed.

### **Benefits of SDV Professional Services:**

- Leverage decades of cloud and IT expertise to augment existing skill sets on your team
- Tackle time consuming challenges in a cost-effective manner to refocus on mission critical initiatives
- Meet compliance requirements and regulatory requirements without distraction
- IT planning and strategy
- Cloud migration strategy and execution

### **Examples of Successful Engagements:**

- Fileserver to O365 migration
- Managed storage solutions
- Microsoft licensing audit and cost savings analysis
- DR assessment
- DR testing / compliance requirement
- Active directory management
- Cloud optimization
- Cloud readiness assessment
- DR assessment
